

Nintendo Gateway 64 - Executive Summary

Game Title	Kirby 64™: The Crystal Shards
Manufacturer	Nintendo
Trademark Information	© 2000 Hal Laboratory, Inc./Nintendo
Category	Action

Game Description

Kirby makes his first feature appearance on the Nintendo 64! He's got all new actions, abilities, and unique combinations created by copying and mixing enemy attacks. We have all the classic Kirby abilities such as Needle, Flame, Stone, Cutter, and more. Also, combine abilities for dozens of new Power combos.

This is a 3-D adventure with side-scrolling game-play similar to Yoshi's Story. The game boasts an exceptionally wide variety of enemies, challenging boss fights and three exciting mini-games of multi-player fun. Fans of Kirby and action games should vacuum this one up!
